

RAW NOVO PRO NO-GLARE

RAW NOVO PRO NO-GLARE

kr 1 370,00

Illuminate your workspace with the powerful **RAW NOVO PRO 106mm Work Light**, designed for exceptional performance and durability. Delivering a brilliant **5600 lumens** (3200 effective lumens) with a **60W** output, this LED work light ensures bright, reliable lighting for any task. Operating within a **10-32V** range, it's perfect for a variety of vehicles and equipment.

Key Features:

- **No-Glare Technology:** Features an asymmetric flood beam with a sharp cutoff to prevent blinding glare, ensuring safe and comfortable illumination.
- **Compact & Durable Design:** Measuring 106mm (128mm with bracket) x 99mm x 70mm, with a height of 114.5mm from the base, and weighing only **1.05kg**, this light is built tough with an **IP67** rating for dust and water resistance.
- **Wide Operating Range:** Performs reliably in extreme conditions, from **-40°C to +60°C**.
- **Energy Efficient:** Consumes just **3.6A at 12V**, making it highly efficient for long-term use.
- **Easy Installation:** Comes with a DT connector and a 0.5m cable counterpart for seamless setup.
- **Certified Quality:** Meets **ECE R10** standards for electromagnetic compatibility.

- **Color Temperature: 5000K** for crisp, clear light that enhances visibility in the Nordic environment.
