

RAW DUO Work Light 45W

RAW DUO Work Light 45W

kr 1 338,00

Empower your operations with the **RAW DUO 103mm Work Light with Position Light** – the compact, dual-function flood icon built for relentless performance and smart illumination. Packing **5220 lumens** (4032 effective) into a efficient **45W** package, this Norwegian-engineered LED dynamo is primed for agricultural machinery, construction vehicles, utility trucks, and off-road fleets needing road-legal versatility. Featuring IP68/69K toughness, a 3-year warranty, and instant DT connectivity, the DUO turns harsh Nordic nights, muddy fields, and high-stakes hauls into confidently lit triumphs.

- **Dynamic Flood with Integrated Position Light:** Floods expansive areas with **5220 theoretical lumens** (4032 effective lumens) from 9 x 5W Osram LEDs, plus a versatile position light for essential signaling and enhanced safety on the move.
- **Ultra-Compact Versatile Design:** Slim profile at **102 × 101 × 62 mm** (103 mm height with bracket) weighing just **0.9 kg** – mounts effortlessly via M10 bolt for seamless integration on tight rigs.
- **Bombproof Environmental Defense:** **IP68/69K** sealed for total submersion and extreme high-pressure cleaning, reliable from **-40°C to +60°C** in unforgiving terrains.
- **Seamless Multi-Voltage Operation:** **45W** efficiency across **12-48V** DC systems – no fuss for trucks, tractors, or heavy-duty equipment.
- **Plug-and-Play Dual Wiring:** Comes with 500 mm cable featuring male and female **4-pin DT connectors** for independent flood and position light control.
- **Comprehensive Road Certification:** Approved to **ECE R10, R7, R23** for

EMC and auxiliary lighting, plus as reverse light (AR) – fully compliant for professional highway and worksite use.

- **Vivid Daylight Precision: 6000K** neutral white light ensures accurate color rendering and low-fatigue visibility through dust, rain, or endless shifts.
