

RAW NOVO Work Light

## RAW NOVO Work Light

kr 845,00

Turn night into day with the **RAW NOVO 110mm Work Light** – the compact flood monster that floods your entire workspace with brilliant, shadow-free illumination. Packing a massive **9600 lumens** (5780 effective) from just **96W**, this Norwegian-engineered beast is made for heavy machinery, construction sites, agricultural equipment, and marine applications where reliable, wide-area lighting is non-negotiable. With its tough IP67 housing, extreme temperature tolerance, and instant DT connectivity, the RAW NOVO 110mm is ready to dominate the darkest Nordic winters and beyond.

- **Massive Flood Performance:** Delivers an intense **9600 theoretical lumens** (5780 effective lumens) in a true wide flood pattern – perfect for lighting up entire work areas, loading zones, or machine surroundings with zero dark spots.
- **Ultra-Compact Powerhouse:** Only **110 × 110 × 55 mm** (145 mm height with bracket) and weighing just **0.9 kg** – the ultimate space-saving flood light that punches way above its size.
- **Built for the Toughest Conditions:** Fully sealed **IP67** construction shrugs off dust, high-pressure water, and total immersion while operating flawlessly from **-40°C to +60°C**.
- **High-Efficiency 96W Design:** Draws only **5.85A at 12V** despite the enormous output – engineered to deliver maximum light with minimal strain on your electrical system.
- **Instant Plug-and-Play Setup:** Equipped with a built-in **Deutsch DT connector** and included 0.5 m cable counterpart for fast, reliable installation every time.

- **Zero Interference Guarantee:** Fully **ECE R10** certified for electromagnetic compatibility – safe to use on all modern vehicles and machinery without disturbing radios or electronics.
- **Daylight-Crisp 6000K:** Pure white light that renders colors accurately and reduces eye fatigue during long night shifts in any weather.
